To

The Deputy Commissioner
Mysore District

Sir,

I have the honor to submit for sanction an estimate for Rs. 1773-0-0 for certain repairs and improvements to be executed to the Rama Devaru temple at Chunchunkatte of the Yedatoré Taluk and to its branch temple in the Kasba of Yedatoré.

2. I have inspected these temples and am of opinion that the repairs and improvements provided for by the Estimate are very desirable.

3. The Chunchunkatte temple is a place of frequent resort by Hindu pilgrims. A very large fair is held there once a year. Beyond a Chattrum near the temple, there is no accomodation at all available for pilgrims coming for the fair. A charitably disposed person began some years ago

ago to build a line of Maintapos in the temple premises for the use of such pilgrims. But he died shortly after, and the work was thus dropped, no-body else being found able and willing to undertake the carrying out of that intention. I propose to take up the work and also to do sundry other repairs which are absolutely necessary. I venture to strongly recommend this estimate for favorable consideration and sanction, the inconvenience and discomfort to which the pilgrims are now put being by no means inconsiderable.

4. I have reason to believe that contribution can be obtained to the extent of one-fourth of the estimated amount. This however cannot be [illegible] until the people are satisfied that the other three fourths will be forth coming from the Dungray Fund and the work will be actually put in hand and carried out. I beg to suggest that the estimate for three-fourths of Rs: 1330 be sanctioned

upon the other one-fourth
being contributed by devotees before
the work is begun.

5. The Treasury Officer's Certifi-
-cate is appended to the Intimate.

I have the honor to
